CREATING VALUE · INNOVATION · SERVICE

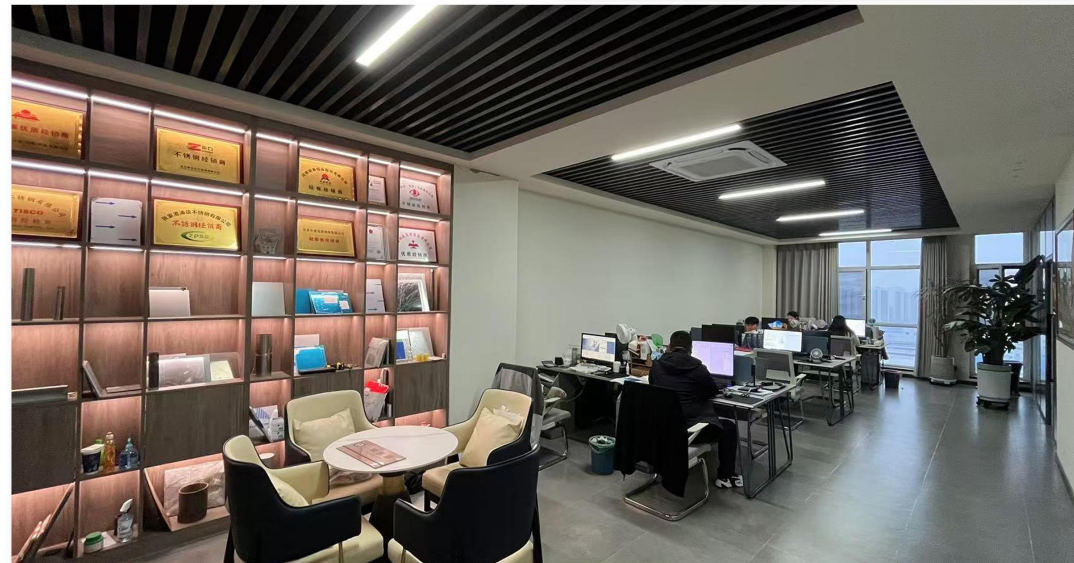

COMPANY INTRODUCTION

Shandong Jiancheng New Material is a comprehensive, modern and high-quality enterprise integrating steel production, processing and sales. We have been engaged in export for many years with experienced sales team, and provide one-to-one service for every client. We have exported to more than 60 countries around the world and gained the customer's high praise.

OUR ADVANTAGES:

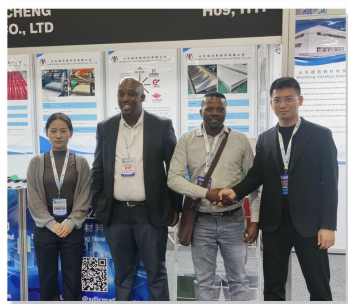

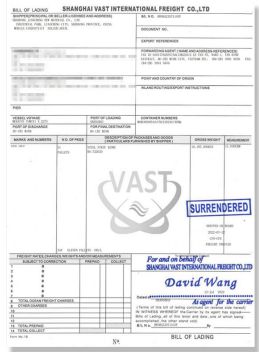

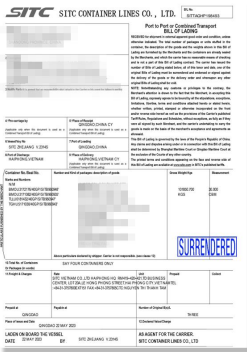

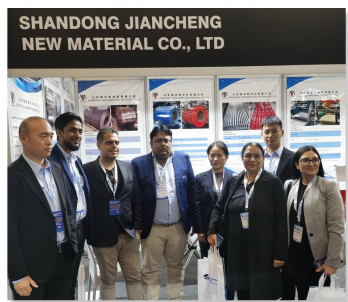

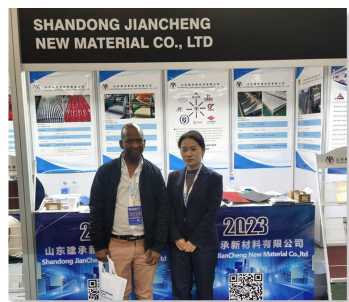

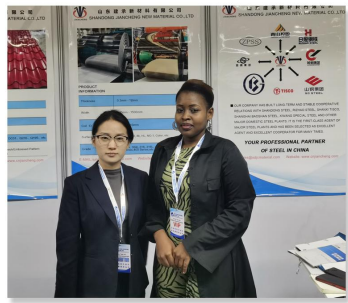

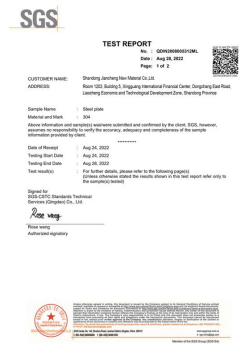

- A variety of production lines
- Skilled technicians
- Strict quality management
- A large stock in our warehouse

CERTIFICATE DISPLAY

EXHIBITION DISPLAY

Shandong Jiancheng New material aims to provide customers with high quality products and good service. We have obtained ISO9001, SGS, CE certification. All our raw materials come from big state-owned factories, such as: Tisco, Bao steel, Angang Steel, Shandong Steel, Qingshan Steel, Benggang Steel. Extensive export experience for your order quotation escort.

STAINLESS STEEL PRODUCTION LINE

STAINLESS STEEL COIL/PLATE

Shandong Jiancheng New material has 2 stainless steel coil decoiling lines, 1 Stainless steel strip slitting line, 2 Mirror processing lines, 2 wire drawing equipments, 2 sets laser cutting lines. We have a large inventory of stainless steel coils and sheets, provide product customization and packaging services.

Product name	Cold rolled Stainless steel coil/strip	Hot rolled stainless steel coil/strip	Cold rolled Steel sheet	Hot rolled steel sheet
Steel grade	201 304(L) 316(L) 321 309(S) 310(S) 410 420 430 440C 441 444 630 631 2205 2507 Monel400 and ect			
Surface	2B/BA/NO.4/HL/Satin/Brushed/Mirror/8K/No.1			
Thickness	0.2-3mm	3-12mm	0.2-3mm	3-100mm
Width	20-1500mm	20-2000mm	30-1500mm	30-2200mm

GALVANIZED/GALVALUME COIL/SHEET/ROOFING SHEET

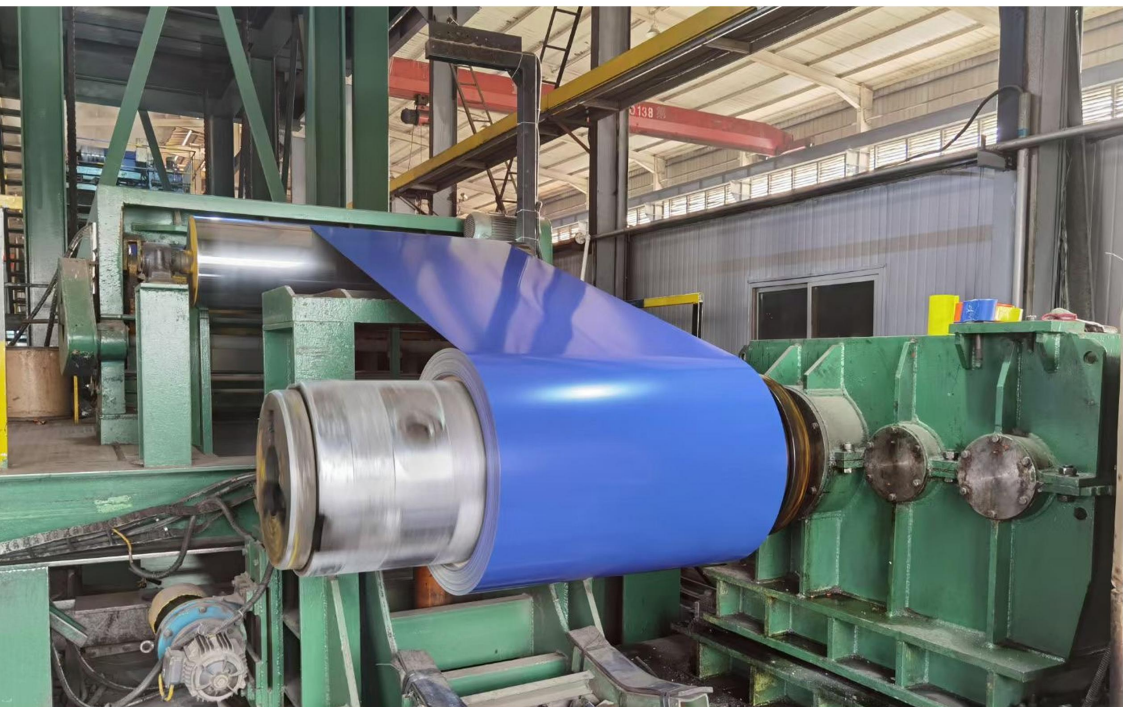

Shandong Jiancheng New material has 3 galvanized steel production lines, 2 aluminum zinc steel production lines, 2 cutting lines, 4 roofing sheet lines, and has an annual capacity of 300000 tons. We can produce coils with specifications range from 0.2-2mm thickness and 30-1500mm in width, and can provide customized service.

Supply products are: Hot dipped galvanized coil, Electric galvanized coil, 55% Aluminum zinc steel coil, galvanized steel sheet, Aluminum zinc steel sheet, corrugated sheet.

GALVANIZED STEEL PRODUCTION LINE

PREPAINTED STEEL COIL/SHEET (PPGI/PPGL)

Shandong Jiancheng New material has 2 prepainted steel production lines with annual capacity of 200000 tons, can produce specification of 0.2-1.5mm thickness and 30-1500mm in width, and can provide customized service.

The color of the steel coil is according to RAL color chart. Besides, we can provide various patterns and wooden surfaces according to customer's drawing. The types of paint are PE, PVDF, HDP, SMP.

PREPAINTED STEEL PRODUCTION LINE

ALUMINUM COIL/SHEET

Shandong Jiancheng New material can provide the grade of aluminum sheet and coils from 1000 series to 8000 series, we can provide cutting, Laminating, polishing, packing service and have large stock at warehouse.

Common grades of aluminum: 1050,1060,1100,2024,3003,5005,5052,5083,6061,7075, 8011. The thickness range is from 0.2mm to 100mm.

ALUMINUM PRODUCTION LINE

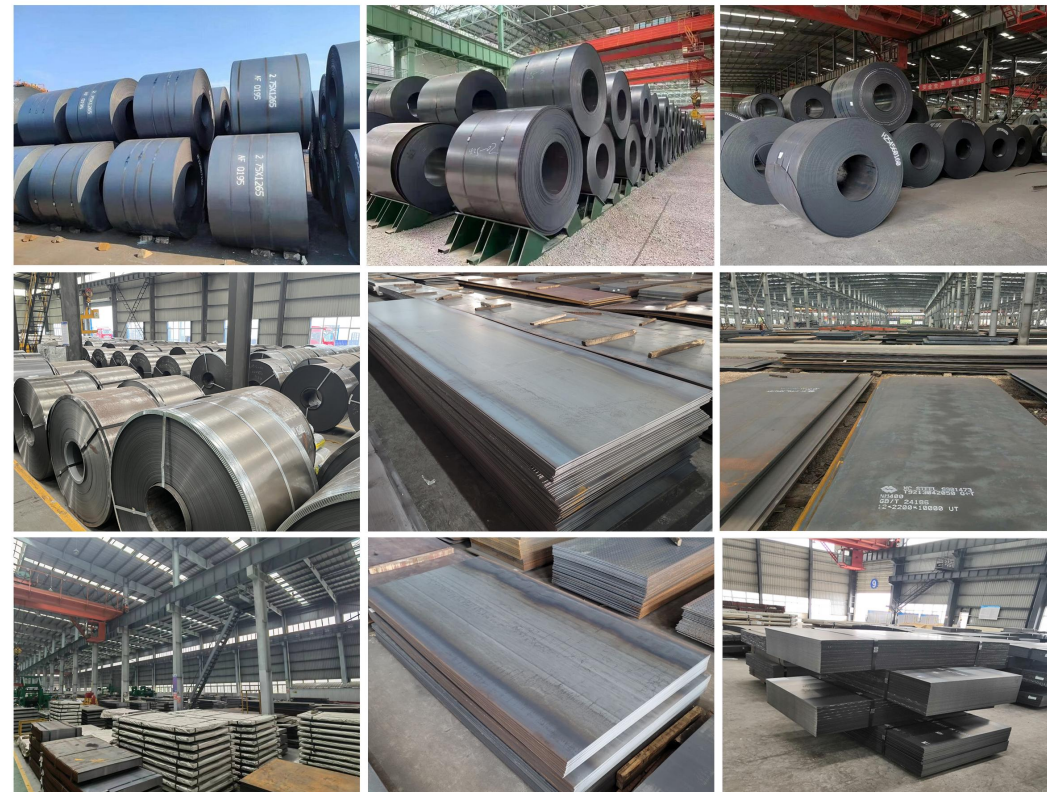

CARBON STEEL COIL/PLATE

Shandong Jiancheng New material can provide steel coil and sheet, include cold rolled steel, structural steel, wear-resistant steel, weather-resistant steel, die steel, pressure vessel plate, Steel type is complete, abundant inventory. The thickness range is from 0.3 to 100mm, Standard width is: 1000mm/1250mm/1500mm/2000mm/2200mm

The popular steel grade: A36/SS400/S355/A283/A572/A516/A588/AR400/AR500/SPCC/DC01/SPHC/1008/4140/4130/1020/1045
